# Thanks!

## Any questions?

You can find me at [ROSE@WESTAFRICANFEEDS.COM](mailto:ROSE@WESTAFRICANFEEDS.COM)

*The PAFO-COLEACP Innovations Series focuses on innovations and successes of African farmer-led businesses and SMEs. These activities are supported by the Fit For Market SPS programme, implemented by COLEACP within the Framework of Development Cooperation between the Organisation of African, Caribbean and Pacific States (OACPS) and the European Union.*

# Thank you
